Our Business English program has the objective of improving students' knowledge and use of business-related English and of making students more effective at workplace communication.

Our ESL TOEFL program has the objective of improving students' performance on the Test of English as a Foreign Language (TOEFL) through a focus on the test's major components.

Our GRE/GMAT program has the objective of improving students' performance on either the Graduate Records Examination (GRE) and/or the Graduate Management Admission Test (GMAT) through a focus on the test's major components.

CERTIFICATE PROGRAMS

Description

1. ESL General English Program

IIC offers five levels of General English (General English Levels A2 – C2). In General English classes, students focus on learning new grammar structures and reviewing old ones within the context of the four main English skills -- speaking, listening, reading and writing. Class time will be divided between teacher lectures on grammar structure, practice of those structures within the different skill sets, and engaging in other communicative activities to deepen language learning.

To attain a certificate of completion, students must complete sixteen weeks at a given level, at 18 hours per week (i.e. 288 clock hours total). They must also pass all the section tests for that level.

ESL General English classes are held at IIC's Post Building (1362 Post Street) and Bush Building (1610 Bush Street).

2. ESL Business English Program

There are two levels for the Business English program: Business English Intermediate and Business English advanced. The IIC Business English Program targets students aiming to improve their knowledge and usage of English in business and workplace contexts. Students will be given the opportunity to practice English reading, writing, speaking, and listening in business and workplace contexts, and will be exposed to a range of relevant vocabulary and grammar structures.

To be able to enter the IIC Business English program at the intermediate level, students must place into Level B2 or higher during their initial placement test.

To be able to enter the IIC Business English program at the advanced level, students must demonstrate C1-level proficiency as well as previous experience with business English. Students can prove their prior business English knowledge by writing a letter of intent and showing a transcript that they've already completed prior coursework in business English at another institution.

To attain a certificate of completion for one level, students must complete sixteen weeks in a IIC's Business English Program, at 18 hours per week (i.e. 288 clock hours total). They must also pass all section tests, and show substantial improvement in their practice test scores over the course of this time.

The ESL Business English Program is held at IIC's Post Building (1362 Post Street), Bush Building (1610 Bush Street) and Third St Building (520 Third St.)

3. ESL TOEFL Preparation Program

The IIC TOEFL Preparation Program is targeted at students wishing to take the TOEFL iBT standardized test.

Students will learn strategies for tackling the TOEFL iBT and get hands-on experience with real examples that integrate speaking, reading, writing and listening in the characteristic style of the TOEFL iBT.

To be able to enter the IIC TOEFL Preparation Program, students must place into Level B2 or higher during their initial placement test.

To attain a certificate of completion, students must complete sixteen weeks in IIC's TOEFL Preparation Program, at 18 hours per week (i.e. 288 clock hours total). They must also show substantial improvement in their TOEFL practice test scores over the course of this time.

ESL Admissions Policy

Students applying must be 18 years old or older, and must complete an application form either online or in person at the school and submit a copy of their high school diploma, or equivalent, or higher diploma. If this is unavailable then the student must take an ability-to-benefit test. If the student is an international student holding an F-1 visa, they must submit to us all relevant documents required by U.S. law: i.e. a copy of their passport and a copy of their latest bank statement dated within the last three months (or, if they have a sponsor, a certificate of sponsorship filled out by the sponsor along with the sponsor’s bank statement dated within the last three months). F-1 students applying from another school must also submit a copy of their former school’s I-20 form.

Students applying to the IIC must possess a basic knowledge of English (e.g. know the English alphabet, understand basic greetings, ask basic questions, etc.). Students should be aware of the following:

- a. Our ESL General English Program has only five levels: Levels A2 – C2. We cannot accommodate students who are at Level A1. Students whose English is extremely low (e.g. without knowledge of the English alphabet, etc.) should consider applying to another school.
- b. Only students who test into Level B2 or higher on our initial placement exam are eligible to study in our ESL TOEFL program or ESL Business English program. Students placing into Level A2 are only eligible to study in our ESL General English program.

Please note that IIC has not entered into any articulation or transfer agreement with any other academic institution regarding acceptance of credits earned. IIC does not accept credits earned at other institutions as a replacement for taking our placement test, nor is there any guarantee that other institutions will accept credits earned at our school as a basis for admissions or exemption from required classes.

II. General Policies

Course Schedules

A schedule of all courses currently offered is available to students in paper format from the reception, and online on the school's website.

Policies on enrollment and registration

Course registration and enrollment occur after the student has taken the placement test and the student's program and level has been determined by the Academic Coordinator.

The first step is for the Academic Coordinator to register the student on IIC's student database system into the appropriate level or program, so the student's name will show up on the class attendance roster.

The second step is for the student to be issued an enrollment agreement and school performance factsheet by the Administrative Assistant and asked to initial receipt of the School Performance Factsheet and sign and date the enrollment agreement. These documents are filed in the student's physical file. The Administrative Assistant will then pass the incoming students files to the Director of ESL.

The third step, once the student is registered for class and has signed the enrollment agreement, is for the Director of ESL to register the student's record on the SEVIS database, and updates the students address and course session dates.

Standards of Student Achievement

IIC keeps track of student achievement through the use of periodic testing. The curriculum for each of our programs is divided up into sections, and students are expected to pass each "section test" in order to ultimately receive a certificate of completion. Students who underperform on the tests and do not receive a certificate of completion are allowed to repeat the program one more time.

Student's Right To Cancel

The student has the right to cancel under which it is explained that the student has the right to cancel the enrollment agreement and obtain a refund of charges (less application fee and any non-refundable fees) paid through attendance at the first class session, or the seventh day after the enrollment, whichever is later.

Withdrawals, Cancellations and Refunds

Students may cancel their enrollment agreement with the IIC and obtain 100% of the amount paid less the application fee and any non-refundable fees (not to exceed \$250) if the cancellation is made through attendance at the first day of class, or the seventh day after enrollment, whichever is later. After that time, a student may apply for a partial (pro-rated) refund up until they have completed 60% of their payment block. After 60% of the student's payment block is completed, no refunds will be given.

To cancel their enrollment agreement, students must submit a refund request in writing, which can be done via IIC's Refund Request form available at the Reception in the Bush Building. The IIC will pay refunds within 45

days of a student's cancellation or withdrawal.

Calculating the pro-rated tuition refund

The IIC calculates the refund amount by following these steps:

The total amount owed to the student is equal to the weekly charge for the program (total institutional charge divided by the number of weeks in the program), multiplied by the number of weeks the student attended (or was scheduled to attend) before withdrawing from the program. If the student has attended any one day during a week this is regarded as a full week attended. For example, for IIC's 4-day schedule, the weekly charge is \$98.75 (\$395 divided by 4). If the student attended only two weeks and paid \$395, the total refund will be \$197.50. This same calculation is applied to the discounted 16 weeks tuition (\$1,480 for the 4-Day schedule) where the weekly charge is \$92.50, which is then multiplied by the number of weeks not attended and this same method of calculation is applied to the refunds for the 2-day schedule costs.

Probation and Dismissal Policies

Students who are over two weeks late on their tuition payment, or who engage in minor forms of misconduct (e.g. cheating on a test, being overly disruptive in class, making rude remarks to fellow classmates, etc.) will be placed on probation for 14 days. Students on probation will find themselves under increased scrutiny by teachers and administrators. Any repeat signs of misconduct will be considered grounds for dismissal. Students who are over 30 days late on their tuition payment, or who engage in more serious forms of misconduct (e.g. vandalism, violence against students or staff, sexual harassment, etc.) will be immediately dismissed from the institution, and may face investigation by law enforcement officials, depending on the type and severity of the misconduct.

Attendance Policies

All of our students are encouraged to maintain full attendance during the course of their program of study. Students who are absent from school without a valid excuse for any prolonged period of time will be withdrawn from the school. If a student's cumulative attendance rate falls below 80%, they will receive a first warning letter. If the student's cumulative attendance rate remains below 80% after this first warning, they will receive a second warning letter. If after this second warning, the student's cumulative attendance rate still remains below 80%, they will be dismissed from the school. Students who have a valid excuse for being absent from class (e.g. to visit a doctor) will be excused for their absence if they present adequate proof to the program coordinator (e.g. a signed doctor's note).

Leave of Absence Policies

Students who have a valid medical excuse can request a leave of absence from the school, provided they are able to provide adequate proof from medical authorities. In certain extreme non-medically related cases, e.g. the death of a close relative, a short leave of absence may be granted by the Director of ESL, depending on the circumstances.

Payment-Related Policies

Please note that the Intercultural Institute of California does not participate in any federal or state financial aid programs.

Please also note that if a student obtains a loan to pay for their educational program, the student will have to

repay the full amount of the loan plus interest, less the amount of any refund. If the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from federal financial aid funds.

Finally, please read the following important information regarding the Student Tuition Recovery Fund (STRF).

Student Tuition Recovery Fund (STRF)

(a) Students enrolled at the time of school closure (or within 60 days of the school's closure) may be eligible for reimbursement through the Student Tuition Recovery Fund (STRF). The STRF exists to relieve or mitigate economic losses suffered by a student in an educational program at a qualifying institution if the student was a California resident (or was enrolled in a residency program.) The student must have prepaid tuition, paid the STRF assessment, and suffered loss. Students who have exhausted all other possible ways to recover lost tuition expenses may file a STRF claim application. You may download a STRF claim application by visiting our web site <http://www.bppe.ca.gov/applications/strf.pdf>.

(b) You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

(c) The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency programs attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.

5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

Facilities and Equipment

IIC provides students with the facilities and equipment necessary to support their learning. The school has more than seven classrooms, two computer rooms, a lounge area, and a cafeteria space. Equipment used for educational purposes include TV's, stereos, and wireless Internet capability to support streaming audio or video, as well as standard whiteboards, arrangable tables, and comfortable chairs.

Student Library

IIC has a range of books (mainly fiction, with some nonfiction as well) available onsite between the hours of 9am to 5pm Monday- Friday for student perusal and use. Students interested in borrowing a book from the school should approach the receptionist or administrative assistant, who will ask them to write their name and date on a sign-out sheet.

Student Services

IIC's student services include the following:

- Open-door counseling on visas and related matters
- Recommendations for housing & health insurance
- Weekly student newsletter
- School community Facebook page & blog

On occasion IIC may provide additional services, such as recreational outings and holiday parties.

Housing

IIC does not have any dormitory facilities, and is not responsible for finding housing for students.

However, IIC can recommend housing options to interested students. Students should ask the International Student Coordinator for the list of recommendations. The area surrounding IIC's facilities includes apartment housing as well as hotels offering long-term stay rates. The cost of housing in San Francisco varies from neighborhood to neighborhood, however students should expect to pay at least \$500 a month for housing options in the area.

Visas and Related Issues

IIC is authorized by the federal government to issue the I-20 form to prospective international students interested in obtaining a F-1 visa. Prospective international students who receive an I-20 from us must then apply for a F-1 visa from a U.S. consulate or embassy. Other than issuing the prospective student an I-20, the school cannot assist an overseas student in any other way in applying for an F-1 visa. Once an international student has been granted a F-1 visa and has entered the U.S., IIC offers open-door counseling to students free of charge on visa-related matters (e.g. explaining how to extend one's I-20, explaining the required procedures for students temporarily leaving the country, etc.). For prospective students who are already in the U.S. and do not have a F-1 visa but are interested in changing their visa to a F-1 visa, IIC offers the option of having IIC

assist them with the change-of-visa procedures for a cost of \$300.

International Student English and Foreign Language Requirements

English language services are provided to all our international students, since all our international students enter our ESL program. No documentation of English language proficiency (e.g. TOEFL test score) is required.

Policy on Award of Credit for Prior Experiential Learning

IIC does not award credit to students for prior experiential learning.

Policy on Financial Aid

IIC does not offer students financial aid, and does not participate in federal or state financial aid programs.

Students Rights

IIC students have the right to access and review their academic records, and to request deletions or corrections to ensure:

- Fair and effective teaching and grading as outlined in the course descriptions.
- Due process and an impartial hearing in any disciplinary matter
- Information privacy

IIC students also have the right on the release of their records as per the Family Educational Rights and Privacy Act (FERPA).

IIC students can request access to their files by sending a written request to the Director of ESL.

Student Grievance Procedures

If you believe you have been treated inappropriately by the administration or an IIC employee, or if you are dissatisfied with the quality of the schools' facilities or services etc., or if you are dissatisfied with your teacher or your class, you can submit a complaint. Please note all complaints are treated confidentially.

IIC's definition of a formal complaint is an expression of dissatisfaction by one or more students of an institution's action or lack of action, or about the standard of service provided by the institution.

Step One: Informal route

The first step, if you have a problem or issue, is to try to resolve the issue informally by talking to the person who is causing the issue and to try to find a satisfactory solution. You can ask the Director of ESL to help you with this. She can also act as a go-between on your behalf if you do not wish to talk directly to the person involved. If you feel uncomfortable with this staff member, the student may approach the Academic Coordinator. Informal or oral complaints will be dealt with immediately or as soon as possible. If you are still dissatisfied you can submit a formal complaint.

Step Two: Formal Complaint

You can submit a formal complaint by completing our complaints form. You can obtain a complaint form from the front desk in the Bush Building. This complaint form will go directly to the Director of ESL. Formal written complaints will normally be dealt with within two weeks of submission.

Bureau for Private Postsecondary Education (BPPE) Complaint Procedure

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet web site www.bppe.ca.gov.

Commission on English Language Program Accreditation Complaint Procedure

A complaint can also be filed with our accrediting body (CEA) by following the following procedure.

Filing a Complaint against a CEA Accredited Program

A program or institution that is accredited by the Commission on English Language Program Accreditation must continue to meet the *CEA Standards for English Language Programs and Institutions* throughout its period of accreditation. To ensure such compliance, CEA offers the public the opportunity to report any evidence that the standards are not being met.

Why to file:

- An accredited program must continue to meet the *CEA Standards*. Complaints may be filed for non-compliance.
- An accredited program must report any substantive change that affects its eligibility for accreditation. Complaints may be filed for failure to report substantive change.

Who may file:

Students, faculty members, staff members, and others outside the program who may have knowledge of an alleged failure by an accredited program to maintain the *CEA Standards*, may file.

How to file:

An accredited site must have a copy of the *CEA Standards* available for public view. If you have a concern, ask the site for a copy.

- Complaints for non-compliance of the *CEA Standards* must be written and contain the name and address of the complainant, must refer to a specific standard, and must document the nature of the non-compliance.
- Complaints for failure to report a substantive change must be written and contain the name and address of the complainant and should explain how, in process or content, the program has substantively changed from when it was accredited.

Adjudication of complaints:

CEA sends a copy of the complaint, without the name of the complainant, to the program for response. The complaint is adjudicated by the CEA Standards Compliance Committee, which reviews the complaint and the program's response. Complaints may be mailed or emailed to the address below. If you have questions, please contact CEA.

Records Policy
